

LEE/SHOEMAKER TEAM ADVISES SPRINGPOINT STRUCTURAL ON MERGER WITH FOX + ASSOCIATES

Springpoint Structural LLC (Charlottesville, VA) has joined forces with Fox + Associates Consulting Engineers, P.C. (Richmond, VA). Springpoint's acquisition of Fox creates a combined team that provides a diverse set of structural engineering services throughout Virginia and the mid-Atlantic region. Springpoint is excited to match its innovative, committed philosophy with a long-standing and well-respected engineering firm. This strategic alliance expands Springpoint's diverse and experienced team and its ability to deliver premier structural solutions to clients across a wide variety of new construction, adaptive re-use, and historic preservation.

"The two firms have been working closely together for the better part of the past year. With a successful partnership already in place, Springpoint and Fox + Associates are thrilled to have this opportunity to combine while retaining all our current staff at our offices in Charlottesville and Richmond," says Craig Swift, Springpoint President.

Lee/Shoemaker PLLC represented Springpoint throughout due diligence, drafting and negotiating all transactional and employment documents.
