LEE/SHOEMAKER TEAM COUNSELS GIRARD ENGINEERING IN SALE TO SALAS O'BRIEN

Girard Engineering, Inc., an award-winning MEP firm with a 40-year history of excellence in design has joined forces with Salas O'Brien Holdings, LLC, a multi-discipline facility planning and design firm with more than 1,300 team members and 330 registered professionals based in Santa Ana, California.

This transaction expands Salas O'Brien to 51 offices located throughout the mid-Atlantic region as well as the rest of the United States. Girard and Salas O'Brien share diverse capabilities that will enable them to provide even greater contributions to project teams and Owners in the future.

Girard and its current leadership will continue to provide first-class services to its many clients from the larger Salas O'Brien platform, enabling them to expand their reach and support larger and more varied project types.

"We're thrilled to be teaming up with Salas O'Brien," said J. Andrew Marusich, president of Girard Engineering. "Salas O'Brien's approach is a perfect match for our technical proficiency, commitment to sustainability, and ambition to always do what's right for our clients. We look forward to serving our clients' needs with the same level of care and attention even as we add more resources and capabilities."

Lee/Shoemaker PLLC represented Girard Engineering, Inc. throughout due diligence, drafting, and negotiating all transactional documents.
